ABOUT THE CONFERENCE

International E-Conference on Innovation and Practices of Modern Sports Science and Traditional Yoga has been envisioned to bring the country's top educators and physical education researchers on a single platform using digital medium. The event aims to motivate participants to carry on with their research work during these tough times of pandemic and present it in front of credible audiences across various segments and functional areas of physical education and sports from comfort of their homes.

The conference will consist of various workshops and paper presentation sessions throughout three days and promises to be a pathbreaking event for the physical education and sports fraternity. The Physical Education Foundation of India is elated to announce the launch of this mega event which is slated to become a source of sharing of ideas, knowledge transfer and innovation in field physical education, modern sports and traditional Yoga.

ABOUT THE PEFI

Physical Education Foundation of India is one of the apex organizations working for development and awareness of physical education and sports in India. PEFI has been formed by the group of the country's top physical education teachers, sports professionals and officials of the country. Since its inception, PEFI has been continuously striving for excellence in the field of physical education and sports by creating equal opportunities, developing sports infrastructure for all sections and by creating awareness for the importance of physical education and sports. Our focus has been to create sporting opportunities for the country's youth with an aim to develop positive skills, leadership qualities, competitive attitude and teamwork. Moreover, we also envision to provide a platform for youth who wish to take up physical education and sports as their career path.

Our team has also done some outstanding work during the last decade for upliftment of the profession of Physical Education & Competitive Sports and also dealt with all kinds of problems of the profession as well as problems of physical education teachers in the country.

Based on its (PEFI's) contribution to the development of sporting culture in the education sector - schools, colleges and universities in the country, Ministry of Youth Affairs and Sports have recognized Physical Education Foundation of India (PEFI) as National Sports Promotion Organization for our continuous efforts.
