## ABOUT THE COLLEGE

Bapu Degree College was established in the year 2006-07 under the management of Bapu Scientific and Educational Association which was formed in the year 1968, with the vision of offering career oriented, comprehensive education combined with humanistic, scientific and social learning. The Institution offers an outcome based UG Courses in Commerce, Management and Computer Science. College is affiliated to Bengaluru Central University. It strives to provide quality education at an affordable cost with career oriented academic programmes & holistic approach to gain success in this competitive world by improving Knowledge, Skills, Values and Attitudes. The educational pedagogy of the college inculcates value system, it integrates information and communication technology, develops global competencies and promotes National development with a quest for excellence. The college takes pride in promoting students to take part in various sports at International, National and State level competitions envisaging holistic development of students.

## ABOUT THE PEFI

Physical Education Foundation of India is one of the apex organization working for development and awareness of physical education and sports in India. PEFI has been formed by the group of the country's top Physical Education teachers, Sports professionals and officials of the country. Since its inception, PEFI has been continuously striving for excellence in the field of Physical Education and Sports by creating equal opportunities, developing sports infrastructure for all sections and by creating awareness about importance of Physical Education and Sports. Our focus has been to create sporting opportunities for the country's youth with an aim to develop positive skills, leadership qualities, competitive attitude and teamwork. Moreover, we envision to provide a platform for youth who wish to take up Physical Education and Sports as their career. Our team has also done some outstanding work during the last decade for upliftment of Physical Education & Competitive Sports. We have dealt with all kinds of problems of the profession as well as problems of Physical Education teachers in the country. We take pride in stating that recognising our contributions to the development of sporting culture in the education sector- schools, colleges and universities in the country, Ministry of Youth Affairs and Sports have regarded Physical Education Foundation of India (PEFI) as National Sports Promotion Organization.

## ABOUT THE LSFİ

Lifesaving Sports Federation of India (LSFI) through its educational movement and competitive lifesaving trainings primarily intends to create and encourage lifesavers for the drowning prevention mission. Through the medium of Lifesaving Sports we intend to develop, maintain and improve the essential physical and mental skills needed to save lives in the aquatic environment.

Competitions in Life Saving Sports consists of a variety of competitions aiming at development of life saving skills, fitness and motivation purely for the humanitarian purpose. Life Saving Sports events are played in Swimming Pool, Open Water, Beach or any other Water body by people of all ages. LSFI with its entire team and member organizations in India wishes to support the drowning prevention work of the Indian Lifesaving Community and its humanitarian mission through the principal International Life Saving (ILS) guidelines and lead the efforts to reduce injury and death in, on, or around the water.

## ABOUT ELITE SPORTS ACADEMY

Every child @ Elite Sports Academy (ESA) is a prospective future Olympian. Health, achievement and realizing the best version of self has been the basic motto of ESA. It's been 4 years of ever increasing enthusiasm and appetite constantly driving us towards excellence. With a vision of nurturing talents par-excellence ESA is committed to facilitate best means and methods based on scientific principles with essence of natural grooming to bring out the best among Eliteans.

## ABOUT THE CONFERENCE

Today's pandemic situation has changed the scenario of health. All activities facilitating health including sports has gained attention. Present situation has created new opportunities and there is a felt need to discuss about them. This conference is intended to create a platform where in knowledge would flow from all directions pouring in new ideas, opportunities and higher wisdom transforming the present form of Physical Education and Sports contributing for Health, Performance and Well-being. The discussion about **New Education Policy** in the conference will be pivotal in enlightening the fraternity of Physical Education and Sports about the prospect of the same in future. Through the conference honest efforts are also made to publish all the inputs in International ISBN book by International Publishers.
