**13. Fair Play Panel:** Before the commencement of the tournament, Fair Play Panel shall be formed by the UPCSА. **The decision of Fair Play Panel is final and binding. No appeal can be made against the decision of Fair Play Panel. If any player found violating the fair play rules, he/she will be expelled from the championship.**

**14. Treating Games with Fair Play Violation.** There is an inherent issue for treating game with Fair Play Violation in Swiss Events and getting a solution which satisfy everyone is nearly impossible.

**However, to compensate to the affected players, the result of that match will be annulled and an extra half point will be awarded for that game in that particular championship except for the last round. For the last round, player will be eligible to get a full point compensation.**

**15. Withdrawal:** If any player is absent for any round without intimation to Chief Arbiter in writing (Only to below mentioned mail), He/ She will be removed from all the remaining rounds without further notice

**Email to send the withdrawals:** [chessifyarbiter@gmail.com](mailto:chessifyarbiter@gmail.com)

**16. Interpretation:** For interpretation of the rule(s) and deciding any point not covered by the above rules of the tournament, the decision of the Tournament Committee shall be final and binding on all. The Tournament Committee has every right to make any addition or amendment to the rules, without prior notice. However, such changes should be approved by the UPCSА. Such changes will, however, be communicated to all concerned.

#### **17. Tornelo:**

To avoid mouse slip, turn on move confirmation in Game Preferences setting. Instead of dragging the pieces, click the original square, then click the destination square.

Do not share your Tornelo password with anyone. Simultaneous multiple connection is not allowed. This will result in fair play violation and immediate loss of the game.

Players' tornelo.com username must match the username that was used during registration. You may not play on a private account or secret account.

Player shall enter his FIDE ID as entered in Registration form while joining the event in Tornelo Player profile. If player doesn't have FIDE ID, he can put 0.

#### **18. Disconnections**

It is the player's responsibility to be connected to the playing zone. This includes providing a stable internet connection and a working playing device. During a disconnection both players must not leave their places without the permission of the Arbiter.

An internet disconnection for a duration of 3 minutes or more will be declared loss.

## 19. Communication:

- Arbiters chat on Tornelo (Arbiters call)
  - a. Players shall not be permitted to contact anyone during the course of play.
  - b. Players shall have a direct line of communication to their assigned arbiter during the course of play.
  - c. Players shall notify the Arbiter immediately in the event they are facing a technical issue.

**20. Penalties:** All the penalties will be in accordance with FIDE Online Chess regulations for online tournaments with supervision (section III a). Any serious offence may result in disqualification from the whole tournament, at the discretion of the UPCSA & Tournament

**21. Additional Actions:** In addition, any violations outlined in this section may be subject to additional fair play screening which may result in the player's clock running while the screening is taking place.

**22. Pre-move:** Pre-move is not permitted and this feature will be turned off from the setting

**23. 50 move rule and 3-fold repetition:** 50 move rule and 3-fold repetition rule will be automatically enforced.

**24. Overriding Online results:** Be aware of the various positions that are automatically declared drawn by the server. In general, the result prescribed by Tornelo will stand (see the set list of drawn positions). However, there are positions such as the one in the diagram.

With black to play in this position, it is checkmate after h2, then Ng3 for white. With black to play, if black lets his or her time expire, then the server will automatically call this a draw. In the unlikely situation that this or a similar position happens, players may appeal to an Appeals Panel and appeal that they should be declared the winner of the game.

### Positions Declared Drawn

The following combinations will result in draws for insufficient material and will be

automatically claimed by the server:

K+N vs K+N

K+N vs. K

K+B vs K

K vs. K

K+B vs. K+B (even with opposite- colored bishops)

K+N+N vs K

The following combinations will result in a draw if the player with the pawn flags down. Note that this goes for any pawn including a and h pawns:

K+N vs. K+P

K+B vs. K+P

These games will be scored as draws automatically by the server, and will be scored as such for our competition even though this is not in accordance with the FIDE Laws of Chess.

**25. Web browser:** Google Chrome web browser is highly recommended by the playing platform. Only tabs open in the web browser are for the platform being used i.e., Tornelo

**26. Internet connection:** Internet connectivity is the player's responsibility. Please ensure you have a reliable connection.
