About Us

Gujarat Technological University Centre for Continuing Education

GUJARAT TECHNOLOGICAL UNIVERSITY
INTERNATIONAL INNOVATIVE UNIVERSITY

GTU has set up a Centre for Continuing Education (GTU-CCE) in the month of September 2019 with the objective of providing a platform for specialized short-term certificate courses based on the needs of companies.

As per the National Education Policy 2020 (NEP 2020), multidisciplinary learning for individuals across the sciences, social sciences, and humanities, will be increasingly in greater demand. Society needs multidisciplinary and a holistic education across the sciences, social sciences, arts, humanities, and sports for a multidisciplinary world in order to ensure the unity and integrity of all knowledge.

About Us

Physical Education Foundation of India (PEFI)

Physical Education Foundation of India (PEFI) is a National Organization of qualified experts and professionals in the field of Physical Education and Sports Sciences is duly recognized by the Ministry of Youth Affairs and Sports as National Sports Promotion Organization, on the basis of its (PEFI's) contribution to the development of sporting culture in the education sector - schools, colleges, and universities in the country.

It is one of the apex professional groups of the country's top physical education teachers and it has done outstanding work during the last decade for uplifting the profession of Physical Education & Competitive Sports and dealt with all kinds of problems of the profession as well as problems of physical education teachers in the country. By dint of hard work, the profession of physical education has achieved many milestones and it has taken a shape on the lines of professional organizations in other disciplines.

The PEFI is based in Delhi and it has a huge network in the country with 22 state chapters. It has almost more than Fifty Thousand registered members and the number is gradually increasing. All the top physical educationists including former Vice Chancellors, Principals of many colleges of Physical Education, Directors of University Departments of Physical Education, former officials of the Sports Authority of India, Officers of the Association of Universities, and a large number of physical education teachers working in schools, colleges and universities all over the country are associated with this organization in a different capacity.
