SPORTS AUTHORITY OF INDIA

The Sports Authority of India (SAI), held the successful organization of the IX Asian Games celebrated in 1982 in New Delhi and was set up as a Society under the Societies Act, 1860 in pursuance of the Resolution No. 1-1/83/SAI dated 25th January 1984 of the Department of Sports, Govt. of India with the objective to promote Sports and Games as detailed in the Resolution.

ISCPES

The International Society for Comparative Physical Education and Sport was founded in 1978 at the First International Seminar on Comparative Physical Education and Sports Held at the Wingate Institute of Physical Education in Israel. It is a research and educational organization that aims to support, encourage, and assist those seeking to initiate and strengthen research and teaching programs in comparative physical education and sport throughout the world. The scope of the Society's academic mandate is affected by members' interests and research needs. Members are primarily drawn from all sub-disciplines of sport science with an interest in cross-cultural and international issues

LAKSHMIBAI NATIONAL COLLEGE OF PHYSICAL EDUCATION, KARIAVATTOM, THIRUVANATHAPURAM

Lakshmibai National College of Physical Education bearing the name of Lakshmibai, Rani of Jhansi, the dauntless heroine of the First War of Independence, was established by the Government of India, Ministry of Human Resource Development, and Department of Education on 17th August 1985. The college is a humble tribute of the nation to the unrelenting spirit of freedom, valor, and patriotism. The college is an off-shoot of Lakshmibai National College of Physical Education, Gwalior (now LNUPE), and aims to provide excellent facilities for the upliftment of Physical Education and sports in the country and serving as a model institute for teacher training by offering undergraduate, postgraduate and doctoral studies.

KNOWLEDGE PARTNERS

NATIONAL SPORTS UNIVERSITY

The National Sports University (NSU) is India's first Central University dedicated to sports education, nestled in the vibrant state of Manipur. Established in 2018 and inaugurated by Prime Minister Shri Narendra Modi, NSU is a trailblazer in the field. Our commitment spans Sports Sciences, Sports Technology, Sports Management, and Sports Coaching. Serving as the National Training Center for elite sports disciplines, we adhere to the highest international standards. While currently operating from a temporary campus in Imphal, our expansive 325.90-acre permanent campus in Imphal West is on the horizon. With the flexibility to establish new Schools/Departments in response to evolving sports sciences, NSU is on a trajectory to lead the world in sports education, research, and training. Join us in this journey of sporting excellence.

PHYSICAL EDUCATION FOUNDATION OF INDIA

Physical Education Foundation of India is one of the country's leading and respected organizations which consists of the country's top educators, physical education experts, and sports professionals working towards building a sustainable sports culture in the country. The organization has been constantly working towards the upliftment of physical education and has been spreading awareness amongst policymakers, decision-makers, institutions, parents, and students about the importance of physical education and sports and its significance in building a better future for our youth.

UNIVERSITY OF TSUKUBA

University of Tsukuba aims to establish a free exchange and close relationships in both basic and applied sciences with educational and research organizations and academic communities in Japan and overseas. While developing these relationships, we intend to pursue education and research to cultivate men and women with creative intelligence and rich human qualities. The University of Tsukuba endeavors to contribute to the progress of science and culture. Formerly, Japanese universities tended to remain cloistered in their own narrow, specialized fields, creating polarization, stagnation in education and research, and alienation from their communities.
