## National Seminar on “Building a Better World Through Sports”

**16th March, 2024**

Jointly Organized by:

**Vinayak Vidyapeeth, Meerut  
and  
Physical Education Foundation of India**

## Department of Physical Education

Department of Physical Education, Vinayak Vidyapeeth was introduced in the year 2017. Physical education and sports is the study, practice, and appreciation of the art and science of human movement. While movement is both innate and essential to an individual's growth and development, but also to provide instructional activities that not only promote skill development and proficiency and enhance individual's overall health. Physical education not only fulfils a unique role in education, but is also an integral part of the whole education process.

### About the Seminar

The main objective of the seminar is to explore the present scenario of Physical Education and Sports Sciences relevant to its contemporary issues, challenges and advancement. We hope that this Seminar will bring together the academicians, researchers, coaches, trainers, players and students from different parts. Our sincere effort is to offer a platform to the professionals, where one can freely discuss, explore & evaluate the present context and future projection of our profession.
