Sport India Foundation is a registered nonprofit organization with the primary objective of making India a significant player in the world of sports. The mission and vision of the foundation are to promote, encourage and create awareness about Sports, Health and Fitness, and to develop a competitive as well as motivating attitude towards the development of sports in India.

Indian Exhibition Services (IES) is a leading exhibition organizing company in India, actively involved for several years in creating strong business platforms through B2B exhibitions, seminars, conferences, buyer-seller meetings, and other trade promotion activities.

We have been continuously engaged in the development of MSMEs, providing effective business promotion platforms for small-scale industries to showcase and promote their products. Our core objective is to create a strong bridge between buyers and suppliers within the MSME ecosystem, enabling sustainable business growth and long-term partnerships.

The core strength of Indian Exhibition Services lies in acting as a reliable connector between buyers and sellers. Every event organized by IES has been a resounding success, aligned with our commitment to maintaining international standards in delivering high-quality, professionally managed, and value-added exhibitions and events.

In addition, IES actively works with corporates and large industries, offering powerful trade exhibition platforms to promote their products, strengthen brand value, and accelerate business growth through well-curated industry-focused events.

Physical Education Foundation of India (National Sports Promotion Organization)

Recognized by Ministry of Youth Affairs & Sports, Government of India

Physical Education Foundation of India is one of the apex organizations working for development and awareness of physical education and sports in India. PEFI has been formed by the group of the country's top physical education teachers, sports professionals and officials of the country. Since its inception, PEFI has been continuously striving for excellence in the field of physical education and sports by creating equal opportunities, developing sports infrastructure for all sections and by creating awareness for the importance of physical education and sports.

Our focus has been to create sporting opportunities for the country's youth with an aim to develop positive skills, leadership qualities, competitive attitude and teamwork. Moreover we also envision to provide a platform for youth who wish to take up physical education and sports as their career path. On the basis of its (PEFI's) contribution to the development of sporting culture in the education sector - schools, colleges and universities in the country, Ministry of Youth Affairs and Sports have recognized Physical Education Foundation of India (PEFI) as National Sports Promotion Organization for our continuous efforts.
